#### WHAT WE HAVE DONE

With the restart of the Pack back in May 2021 we started with just three Cubs, this has recently increased to 6 and with a large pack we will offer more activities. Since September the Pack has completed the following badges Money Skills, Home Safety, Astronomer and Photography Activity Badges. We also have seen all members invested and in Uniform at each meeting, November saw us attend the annual remembrance service at St Mary's. In December we held a small party with a cake to celebrate our belated 100<sup>th</sup> Birthday, we had the pleasure of our Group Chairman attend and cut the cake

#### A BRIEF HISTORY

The group opened in 1920 at the then All Saints in Camden Street, it met in the crypt and continued through the war until 1948, in 1948 the group moved to the Church Hall in Crowndale Road, until it was sold in 1978. The 15<sup>th</sup> moved in to St Mary's & St Pancras Primary School where it meet every Thursday until the late 1990's, we then decamped to Basil Jellicoe Community Hall. In all that time the only time we have not meet is in the last two years when the Coronavirus hit and lockdown forced us to closed the doors.... Our leaders have been ex-scouts or parents of the members, they give their time freely and have in their turn done much to keep the group open.
