BOBS BIG HAIR CUT

While the idea was to have a bit of fun and raise some money for the group, the cubs & Scout did enjoy the event and we raised £350 for the funds. And a big thank you to you all, and Bob for sitting down to allow the young people loose with sharpe sissors.

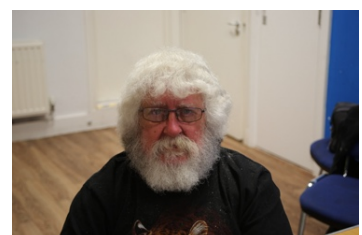

SAFEGUARDING IN SCOUTING

In recent weeks the media has reported that the Scout Association has paid out compensation on known abuse cases. These were spread over many years and will be disturbing to some. We must point out that our leaders acknowledge our own concerns in this matter, and we do have a policy laid down on safeguarding. Each adult in Scouting has a Yellow Card that they should carry at all times. This is a guide and tells them of the steps they must take in any reporting or concerns they may have. Any Adult joining a group must complete a DBS enquiry before working with our Young People. A full report can be found on the Scout Association Web page <https://www.scouts.org.uk/>

CAMP AT SCOUT PARK 9th – 11th June 2023

A warm day before we left the hall with weather reports saying it was going to get warmer and Thunder storms on the way. Saturday dawned and the sun was up at 6am and already raising the temperature, a bit of tracking and a chance to gain a prize for 1 million pounds, after the young camper were told to go and play in the woods, this was done because the sun made it hard to play in the open. Sunday was a chance to be Robin Hood for an hour, and a few tasks on the field and it was time to pack the kit. The result of the weekend was we all got home without an accident.
