WHAT GOING ON IN THE BACKGROUND

The Scout Movement has always been a place of change in light of the modern world. It has tried to keep things relevant. As part of the changes our titles we use have been issued, so a Scout Leader becomes Section Team Leader (Scouts or Cubs). No change to the role just a small change, they will still deliver a programme. All members of the Executive will become Trustees responsible for the financials, Governance and Safety. All parents are members of the Group Council and will look after the delivery of the programme and assist in fund raising where needed.

CONGRATULATION

We are proud to award the Chief Scout Silver Award to Isabelle & William, this is an achievement that they will look back on as one of their best memories while in the Cub Pack.

REMEMBRANCE DAY SERVICE

Sunday 10th November, we joined the congregation of St Mary's Parish Church for their Remembrance Day Service, our young people presented our flags and joined in with the two minutes silence, during the service our young people joining in with a small activity in the side hall. After the service we presented our Cub Leader with a one service award.

All young people who attended were presented with a certificate and special badge.

WEEKEND CAMP FAIREMEAD

With thanks to the 8th Holborn Cub Pack we were able to take the Cubs and Scouts away this year. we had great fun doing activities in Epping Forrest and on the camp site over the weekend. I am sure that for many of those who went away it was their first time in tents. And great to see them return home safe and well on the Sunday evening.
