REPORT FROM THE SECTIONS

The both sections continue to meet and allow our young people to gain badge and play friendly exciting games, in the last three months we have awarded 49 badges across the Cubs & Scouts. We are looking at ways to get the message out there we do have the need to get more Scouts, if you think you can put a poster up in your block of flats or get one in a school please let a leader know and we will get you a supply of posters.

MESSAGE FROM THE LEADERSHIP TEAM

Bob and Mike had a meeting with the Regional Support Team from HQ, we have decided that we will start a Beaver Section in the group as soon as a Leader is in place, both Bob and Mike will support them to deliver the programme, the section will meet from 5:30-6:30pm on a Thursday. We are also looking at recruiting more Leaders and support their journey in Scouting.

HELP WANTED

We are looking for a few parents to become Occasional Helpers, we plan to go out for visits to places of interest but due to numbers we need you to help if leaders cannot make it. All we need is you to complete a DBS form and we will submit and it's free.... Our rules state that we must have all adults registered so that we are covered by insurance.

BADGES AT HOME

We try and encourage all Cubs and Scouts to gain badges at home, while we offer a wide range of badges at our weekly meetings. Even we cannot do all of them... Below is the link to the Scouts web pages that will show the requirements for all badges.
