We only post the pictures and do not name young people in the posts, when we are away it is the best way to see what those away are doing.. to join go to <https://www.facebook.com/groups/15thstpancras/>

ONE YEAR ON FROM LOCKDOWN

The last year has been one of highlights and successes within the Group was the restart of the Pack and its growth to 14 Cubs and the restart of the Scouts, While this great we cannot rest as we have a plan to offer more places to both Cubs and Scouts, there are plans to restart our beaver colony later in the year subject to Leaders being found. The weekly programme has been well received by the cubs and I know many go home tired and happy as they return for the next week.

The year also saw members attend our Remembrance Service and St Georges Day Service, these are important as they show the local community that we are still around and that our members are proud to wear their uniform in public. It is also time to thank you

Wanted 2 Adults to run Beavers

The role does not require any previous knowledge just a want to work with young people in a safe environment, fully supported training will be offered to all who apply at no cost to you. The Beavers can be the start of a young persons journey can lead them to becoming our leaders of the future.
